MODEL	RPM	POWER HP	P/N	PRICE MSRP
STD	22,000	0.5	P1320	\$70
STD	25,000	0.3	P1220	\$99
MINI	25,000	0.3	P1238	\$80
EXT	20,000	0.3	P1222	\$185
90°	22,000	0.3	P1228	\$138

\*Warranty does not cover cleaning of dirty tools or replacement for tools dropped from great heights or run over by heavy machinery. But these things happen, so if you need some work done on your air tool, bring it to us. We'll get you fixed up quickly - GUARANTEED!

### Heavy Duty Construction

- Composite body construction makes our tools tougher, but light enough to use comfortably all day long
- The Twin hammer anvil delivers the hardest hits and provides the longest life

### Wear and Tear Protection

- All exposed surfaces are plated or powder coated to reduce rust and corrosion

### Unbeatable Service

- The longest air tool warranty in Canada\*
- Loaner tools provided if needed

### Fastest Service in Canada

- PTA is proud to offer the fastest warranty and repair in Canada, with most service taking place in the SAME DAY
